RE: School Bus Logistics at the Palmer Events Center

The Austin Gem and Mineral Society would like to take this opportunity to help our school bus drivers navigate the Palmer Events Center. Gem Capers is held at the Palmer Events Center, 900 Barton Springs Road, Austin, Texas during the month of October. Please follow directions below. This will ensure all will go smoothly for teachers and students AND more importantly, you, the bus driver.

- **All buses need to arrive at the Palmer Events Center via West Riverside Drive loop entrance.**
- **DO NOT arrive via Barton Springs Drive.**
- **Students to remain on bus until directed to unload by one of the AGMS Staff.**
- **Buses will need to park remotely until students are ready to return to school.**

Thank you for your cooperation.

Susan Postlethwait
